

**CONFERENCE COMMITTEE REPORT
DIGEST FOR EHB 1161**

Citations Affected: IC 20-12-71.

Synopsis: Communicable disease on residential campuses. Conference committee report for EHB 1161. Provides that a student or the student's guardian, before the student enrolls at a residential campus at a public university, must receive information concerning meningococcal disease from the university. Provides that a student who is not a citizen or resident of the United States must, before matriculating in a residential campus at a public university, provide the university with: (1) medical documentation that the student has been tested for tuberculosis in the United States; (2) the date the tuberculosis test was taken; and (3) the results of the tuberculosis test. Makes a technical change. (This conference committee report requires a non-citizen student to be tested for tuberculosis in the United States and makes a technical change.)

Effective: October 1, 2002.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER:

Your Conference Committee appointed to confer with a like committee from the Senate upon Engrossed Senate Amendments to Engrossed House Bill No. 1161 respectfully reports that said two committees have conferred and agreed as follows to wit:

that the House recede from its dissent from all Senate amendments and that the House now concur in all Senate amendments to the bill and that the bill be further amended as follows:

- 1 Page 2, line 31, delete ",".
- 2 Page 2, line 38, delete "tuberculosis;" and insert "**tuberculosis in the**
- 3 **United States;**".

(Reference is to EHB 1161 as printed February 20, 2002.)
